

# The Role of Interstate Collaboration in Secondary Credit Migrant Education Programs

# Van Buren ISD Migrant Staff!

# The Migrant Stream

- Migrant students in Michigan largely come from Texas and Florida. Nationally, the states with the highest numbers of students who qualify as migrant are California, Texas and Florida.

# Interstate Collaboration Projects With Texas

- **TMIP**
- **Region 1**
- **University of Texas  
at Austin K-16

# Region I

- **North STAAR**

- HS ELA STAAR Writing instruction using telepresence
  - 2013 Ten high school students to retest
  - 2014 Two VBISD high school students, who had not attended program, to retest. Fifteen students total from our area to retest.
    - Students report test confidence because they understand the prompts and have strategies to attack the test and manage their time during testing.
- MS ELA STAAR Writing instruction using telepresence
  - 2013 Instruction three days/week
  - We predict that there will be few or no VBISD HS students to retest 2015
  - 2015 Plan to implement instruction five days/week reading and writing
